The Premises:

It was a depressing tuesday night as it had been raining on & off all day, i made an appointment for 6.30 pm. I felt tired as i'd been working all day in the office till 6.00 and it didn't take me long to arrive at the door. Pressed the bell, walked up to 1st floor. I Was let in by the maid, a smell of freshly brewed espresso wafted through the place & was offered some, i accepted right away and sat down. I noticed a video was on showing an adult film - which aroused me right away. The maid said Sophia was busy so i agreed to wait, but when Nicoletta was walking through the room to get some espresso - i couldn't take my eyes off her. She was wearing a long black evening dress, she looked into my eyes and gave me a warm smile - That was it, i wanted her now!

The Lady:

Nicoletta was tall, similar in height to Sophia & also spoke with a Russian accent, well formed lips and long legs. She had long curly mousey-brown hair down to her shoulders, she looked fit as she had a beautifully shaped figure. I agreed to pay for 1 1/2 hours with her - so she gave me a special rate - 1/2 hour massage & 1 hour normal service.

The Story:

The bath was ready & prepared by the maid - she told me it had lavender oil to relax me as my muscles were aching. I was in the bath when Nicoletta walked in - stripped down to panties, what happened next came as a surprise as i've never seen this before. I noticed a condom in her mouth & one hand had a white surgical glove, she asked me to stand up & put the condom on with her mouth onto my dick, she stroked my balls with her gloved hand then she started to stroke between my legs (the area between my testicles and my anal area) she started to suck my dick with long hard strokes while holding my bum cheeks with the ungloved hand so i couldn't pull away. i came quickly as i couldn't pace myself, she finished by giving me a sensual bath & scrub. Second part - she showed me into the bedroom, dancing on my belly with

a small vibrator in her pussy, squirming in front of me in various positions to get me excited again. no complaints in the oral abilities, sex in different positions was good as i could feel her powerful pussy muscles contract and pump my dick to a state where i couldn't hold on any longer & i came like a river. Afterwards the maid gave me some mineral water with ice as i was thirsty. Would i return? try to stop me! i have to see both girls sometime next week -
if i can wait that long.
