The Lady:

Anny is a twenty two year old beauty from Rwanda, she is tall and slim with the smoothest silky skin I have ever touched.

The Story:

Anny is very welcoming, easy to talk to and great to touch. I enjoyed her sliky smooth brown breasts on the sofa before going up to her bed which is raised above the room on a platform. Here she was warm and very giving, she is not afraid to get hold of a mans penis which is sometimes rare and something I particularly enjoy. She seemed to enjoy reverse oral and a number of positions in sex particularly lying on her side being taken from behind.....excellent!
