The Story:

Well this is my first FR, so excuse the rustyness. Opted for tie&tease, role play - she was my boss!, really great attention to detail and she did everything that was asked of her. I nearly jumped out my skin one time - watch that book Debbie!. I would say that next time we could go alot further but as this was the first time with her i think we both held our limitations. She did great BJ and sex and really got into it. I would say a good experience for a first visit a 9 out of 10. She is very popular, had a 17.30 and got in about 18.45 maid very friendly and she does not rush.
