The Story:

Well here goes, as soon as I walked in, treated like a long lost friend, full french kiss, made to feel very welcome and put at ease very quickly. I have visited Cat once before, but this visit was different, there seemed to be a difference about Cat, relaxed would be the word i would use.

After the initial hello, moved into the bedroom, where french kissing was resumed and at the same time she undid the trousers and dropped them to the floor, were she soon followed for Oral without, Boy does she know what she is doing, eye contact all the time licking balls holding and stroking.

We then moved on to the bed for more Oral, if sucking and licking were in the Olympics, Cat would be up there for Gold, after holding on as long as I could she swallowed without any hesitation. What happened afterwards, I have never experience before, a chat, a drink, another chat made to feel special and then all over again, oral without to completion again.

No rush service with someone that's special and actually likes what she is doing, even to the fact she get's horny while seeing a man wank in front of her, she then has to play with herself, to bring herself off.

Don't miss out

I actually paid for 1hr and stayed for nearly 1.75hrs, but I wasn't complaining
