The Lady:

The web site pictures are as good a likeness as you will come across on any web site.

The Story:

In line with previous FR's it is not my style to go into graphic detail. You will not be dissapointed and unlike a good portion of the ladies you do not suffer the hinderence of a plastic mac for oral, which in turn is excellent and not a drop is wasted. Cat is a very chatty lady and will put anyone at ease. I arranged for an hour visit but it was just short of two hours when we bid our farewells. Cat is a lady who just loves sex. If you fail to visit her you will be missing out big style. She does not rush and I got the impression that if we had not other things to do we would have been there a lot longer. I will be revisiting and investigating further the option of a friend joining us....it should be good.
