Phone: 02079935060

The Premises:

Hotel

The Lady:

Great looking -- great personality. Apologized for gaining a little -- Not!! Petite. Excellent shape. Dressed professionally and arrived on time looking as advertized.

The Story:

She loved a good hard time. Was okay with receiving but a little controlling. Not into giving except briefly - no CIM. Politely declined "A". Brief reverse. Began working hard manuel but finished with hard mish with her rubbing herself to climax.
