The Premises:

Well known parlour, very clean and in my experience always welcoming. Always a good number of girls working, at least three, and on this occasion there were four.

The Lady:

Didn't fancy a couple of the girls, so waited for Jackie to finish, as she offered OWO. She is dark haired, slim, wears glasses throughout the session, but they're sexy in a kind of secretary way. Average height, nice, though fairly quiet personality. I thought she was about 30, I was astonished when she admitted to being 40 a couple of months ago!

The Story:

Very pleasant woman who uses all her experience. Don't usually go for the older girls, but I can see the allure.

Jackie has a delightful, fulfilling oral technique, and brought me to the point of ecstasy before relenting, and building up all over again. Thankfully, no feelings of frustration here as Jackie goes all the way to completion.

Then massage for both of us! When my hands were on her it led to reverse oral, and she was certainly worked up. She swears she came, but I'm sceptical even if I know I'm pretty useful with my tongue!!

Then the attention was all back on me, and with even more vigour as she used her long fingernails to tickle my anus. Magic! If you fancy a change from the usual in Gtr Manchester, she's well worth a visit.
