Scorpio Sauna, usual stuff here.

### The Lady:

Joanne is late 30s, with blonde hair. She is petite, with a slim, muscular figure and a pretty 'Edinburgh' face. (Don't ask me to explain what an Edinburgh face is!)

### The Story:

The usual warm up took place - four or five leisurely pints in a Leith pub, watching the girls go by, reading the paper. This has the combined effect of stoking me up for a session and making me last longer.

Tottered in to Scorpio - a few new faces and one familiar one. I have had Joanne before, and she hit the spot last time, so I went for it again. Usually stay away from repeat punts, but I wanted a good time so I beckoned her to the room.

Once inside it was an oily massage, then she started to lick the inside of my thighs. I knew what was coming next, but it is still great when it happens. Full on tongue up arsehole, for as long as you want. She is a very horny little piece. Some kissing, OWO, more rimming, kissing (ah the flavours...) and I was in heaven. Gave her oral, which she loves and then she thrust her arse in my face for me to lick - oh well, if I must. (Am I getting dirtier?)

On with the condom and an athletic and sexy climax with Joanne on top. Excellent.
