The Premises:

at my hotel

The Lady:

23/25?-very slender-fit toned body-great b:c cup tits, great arse-long brown hair-dark eyes-very pretty looker.

The Story:

Hayley is a good gal, game- friendly-not too business like-wants to oblige attitude mind set. Likeable: a rare thing at this end of the market-date did not start with the usual do?s/donts routine. What are you wanting from me lover boy? attitude.

Lookswise what you should expect at this price-shouldn?t be a subject of gratitude to the agency. Very attractive-sophisticated look-well dressed-nails, undies etc.

Completely fuckalicious body-great tits-arse-small pussy+horny vibes(not always nailed-on with high price gals). Fit- toned-made for lovin+not shy letting herself go

Personality wise seems really chilled-relaxed+outgoing+pays attention-couldn?t see her letting a booking overrun on time tho! Been at it for a while now-treat her like a lady-responds like a gf.

Sex wise full on passion, full french kisses-deep bj?s-lots of energy used taking a fucking. Open to all positions we went for+some real passion on show-gets a lot out of a good fuck

Only jizzed once-went long- one completely satisfied lady-has no problem fucking hard. Hayleys stamina/willingness a big plus,- no complaining she was tired-her legs ached or this or that. Pure hard fucking, doggy great-cowgirl a full body workout.

Does the sex partner routine admirably: no way was her sopping pussy faked., or her come- would lift off me then push her pussy to my mouth for feeding time.

Bjs were good enough-eye contact tongue working away.

Jizzed my end away into that pretty mouth-not swallowed-didn?t sprint to the bathroom like she had

a gobful of rancid milk-walked like a lady-still remember those stunning arse cheeks as she did. Friendly-chatty-really good performance/looks to match up. Lots of passion there if you're man enough to tap it.
