The Premises:

I read some FR`S & decided to give this place a try - i normally go to soho, as i work in the area, i visited the web site as some of my friends recommended this place. The area was only 10 minutes away by tube, so i took an early lunch break as i booked the night before. Very clean flat, parquet flooring, Tv playing a h/c adult film. Was offered Wine, tea, coffee or mineral water - now that's the difference to the places in soho, i've been there hundreds of times & was never treated this way., off to a good start straight away.

The Lady:

Sophia was very charming when i spoke to her, from Russia, St.petersburg so she said, she had nice shapely legs, nice boobs - not too large & very beautiful. I'd say she was about 23-24 years old.

The Story:

We walked arm in arm into the bedroom, clean - well decorated and not overdone. Sophia started by giving oral in short, quick movements & playfully biting my Glans once in a while, which made me hard right away she then got off the bed and grabbed her ankles then asked me to take her from behind, which i gladly did. I shagged her like this for some time then i tried mish. she squealed like a fuckbunny that she is & coaxed me by whispering things in my ear which i wont repeat. A good while later i changed to doggy & finally came in this position. I've been with the best, Claudia, Karol of bateman st. (who could ever forget her! god bless her) and numerous ones, too many to mention but i must say i was pleasantly surprised as this girl could easily match Claudia for beauty & friendliness.....i want to return sometime as i did have a good time & will tell all my friends.
