Very discrete, very nice apartment. An easy walk for from the city centre. Plenty of car parks nearby.

### The Lady:

A very shapely 40-year old with a lovely smile and plenty of other great attributes.

### The Story:

I have seen Charlotte on many occasions and I have yet to be disappointed. As always, she was very welcoming and we started our session with a couple of glasses of wine and a talk about life. As previous FRs have mentioned, Charlotte is a lovely lady and is perfect company. After a little time, we moved to the bedroom. Previous FRs have said it all: she has a great body that she uses with devastating effectiveness on her clients. She employs just the right blend of submissiveness and aggression, of shyness and confidence, and, most of all, she enjoys it and makes sure that you do too. Overall, a fantastic lady, a real GFE and a very strong recommendation from me.

For me, the really nice thing about Charlotte is that she is perfectly at ease with herself: this may seem an odd remark, but, with some wgs, after you have seen them a few times, you discover all sorts of fears, complications and hangups (now there's a topic for the PN board.. I'm pretty sure the experienced wgs would say the same about their punters!). With Charlotte, you get what you see. Charlotte has more FRs than any other Birmingham girl according to the FR statistics: hardly a surprise, as far as I'm concerned.
