The Premises:

As described in FR 18550. A flat on the 4th floor of a tidy block of 1960's flats about 2 minutes walk from Lancaster Gate Tube. The flat, the block and the locality are clean and tidy. Felt safe.

The Lady:

Nicole is a tall Swedish girl. Her description is on the Love Roses website and is accurate. There are also photos which are genuine.

The Story:

I arrived on time and Nicole let me in using the buzzer. The lift to the 4th floor is slow but functional. Nicole must have been waiting behind the door as she opened it at my approach. She was dressed in a camisole top, a pair of french style knickers and the outfit was completed by a pair of heels. She looked quite magnificent.

Nicole showed me into the bedroom. She seemed a little nervous and ill at ease, but this settled once we'd sorted the money. While she got me a drink, I took the opportunity to slip out of some clothing, and to watch her move around. You've got to see her to know why guys!

We settled down on the bed then, and began to French kiss. After I'd got my trousers off (finally) and had a little play with her boobs, she began to give me a suck (uncovered). I had to stop her in order to ensure that I lasted!

We kissed some more and I began to stimulate her pussy. She's nicely trimmed down there. After a while, she slipped the rubber on and I slipped it in for some very satisfactory sex, finishing with her legs thrown over my shoulders.

After, we talked for a while, had another kiss, before she told me that she had another appointment at 7, necessitating a swift departure (it was now 5 minutes to).

All in all, a very satisfactory hour, and a nice girl. Treat her nicely guys!
