The Premises:

This is a parlour in Kingswood. Behind a Kebab House. There was a small waiting area but I cannot say much about this because I did not have to wait. I was offered the choice of two girls. One was dark, aged 19 the other was Shelley aged 24. I believe one can choose to have both girls at a very reasonable price. Parking was relatively easy in an adjacent side stree. Entrance up an alley was discreet. Pleasant receptionist and was offered a drink.

The Lady:

Shelley is a bottle blonde with a fantastic figure. Lovely big boobs and an arse to die for. I asked what she did and was told "everything".

The Story:

At my age I have a job to get hard enough to get it up, so opted for O and RO. Shelley was fantastic. She started with a massage using her hans, boobs and tongue. Then she lay beside me when we had a nice few minutes kissing (with tongue) and cuddling. She then gave me an excellent BBBJ which I stopped after a few minutes so that I could go down on her. It was lovely. She tasted beautiful and became quite excited and very wet. Then more kissing and she finished me off in her mouth. She is gorgeous and so willing to do whatever you ask. I think A is on the menu but I didn't ask. Not my scene. This is the best vale for money in the south west. Equal to Cleo's of Wellington. I don't know if all the girls there are as good and nice as Shelley or whether I just happened to strike lucky. I gave her an extra tenner because it was so enjoyable. This parlour has found a punter who will visit again and again and again. I might try the two girl next time. Shelley tells me she is there every weekday.
