### The Premises:

Nice and clean apartment in a good area of London (near the Conran Shop). Felt safe there. No problems at all.

### The Lady:

Daniella is more attractive in person than her pictures on her web site. In looks she reminds me a little of Anna Kournikova (yes, really!) - but perhaps I'm clouded by her slight Russian accent! If I were a really picky bloke I'd say her breasts aren't that large or that firm... but I'm not so I won't :-)  
Overall, great.

### The Story:

Nice, genuine girl with a good figure and a \*very\* pretty face. She loves giving oral (covered) and while she doesn't kiss that's the only thing I could say I was at all disappointed by. Sex in all positions, quite a nice rub down (inc. body-to-body), and she clearly enjoyed both the sex and the reverse oral. Highly recommended.
