The Premises:

quiet - off a backstreet in Edgware Rd. Clean safe & very tidy flat.

The Lady:

Lumiene is roughly 5`5" , Big melons, Full lips & from South America

i`d say at a guess around 35-38 years old, nice personality - very chatty & she said she was a qualified masseur, so i opted for Massage & oral.

The Story:

She started by massaging my back using some love oils, using slow sensual movements with her soft delicate hands, then turned me over paying attention to my erogenous zones which got highly aroused. I told her i also had a recurring back problem, so she turned me over & dealt with that - but said i would have to visit her on a regular basis if she was to cure me fully. Later she gave me very good oral

which she loved doing well as she said she liked giving head. A pleasant & different experience which i would say ive never experienced before.
