The Story:

This is the second time I have visited with this lovely lady and each time it has been a mind blowing experience. I am some what reluctant to write this review because I know some lucky bloke will soon take her off the market. I certainly would if i lived in london. Chloe is simply the bet punt I have ever experience. She is non-stop,super-charged rollercoaster of sex. It is a wonderful time when the person you are with enjoys the activity as well as you do. This lady is genuine and provides 110% effort towards your satisfaction. Her services include an expertly server bbbj and love making in every position known to mankind. Chloe is blessed with an extremely tight pussy. This physical feature alone makes her in a class by herself.

All of the previous reviews are accurate. My advice is to run and see this lady before I move to london.
