The Story:

I have been punting around Birmingham for a few years and this must be the worst experience ever.

Sandy seemed pleasant enough when I arrived. She showed me into a nice room and ran the bath whilst we discussed money. She agreed ?12 for the romm and ?60 for sex and oral.

I gave her the money upfront (big mistake) and she disappeared for over 10 minutes whilst I took a bath.

She returned and gave me a quick massage before turning me over and getting staright into the oral.

After 5 minutes she started to give me hand relieve. I asked her to slow down because I was saving my self for sex. She announced that she didn't want to have sex nad was now only prepared to give hand relief. She had a real strop and tried to make out it was fault and that she didn't like the way I was touching her.

In 10 years of punting I've never had that reaction from any girl I've seen.

I decided to leave there and then and didn't bother with the hand relief.

Perhaps Sandy was having a bad day but I got the impression that she had been through that particular charde before. In any case she never offered me any money back.

Marks out of 10? 2 (At least she didn't try to steal my wallet!

Take my advice lads give her a miss. I think I'll stick to Lucy Palmer's
