### The Story:

I went for thr V.I.P and was treaded as such, Was made very welcom by Debbie started with a session in front of the mirrored wall slowly undressing me then went on to undressing Debbie, boy did she look great in the mirrors. When for the frontal massage 1st then she showed me a few positions that I would never of thought off. Finshed with doggy and then Debbie drew back and layed my on the bed and went at it like hammer and tong.
