The Premises:

The apartment is very safe, there are security features every where. Like most people I need secrecy and discretion, the last thing you want is to walk onto a crowded street, who knows who you will walk into. Emiko's flat is perfectly located no problems here.

The Lady:

Oriental Japanese escort. Mind blowing experience !!!

The Story:

I would agree with the previous reviews, I love seeing oriental escorts and the best are the genuine Japanese Escorts. Emiko is truly some thing special, she has that tranquil calm look, so beautiful and elegant. Emiko has that cute innocent charm and fabulous good looks. She is very intelligent and her English is very good. It is refreshing to be in the company of a beautiful girl and have a good conversation. When I arrived she made me feel as if I was her permanent boyfriend/partner, it was like I was coming home after a days work to spend my evening with her. The most genuine girl friend experience I have had for a long time.

I spent two hours with Emiko and the time flew by, she treats you with such respect and understanding at the same time she overwhelms you with intense mind blowing passion which leaves you completely drained and weak all over. I have spent years looking for the perfect oriental escort, I can now say my quest is over. What a great time!!!

Thank you Emiko I will definitely see you again.
