The Premises:

The flat was clean and pleasant, but the area was a bit rough. The day that I visited there was a load of drunks sitting around. That being said nothing happened to my car..
I felt safe once in the flat.

The Lady:

Larger than I expected, the pictures on the web site are a bit misleading.. (Sorry!!)

The Story:

Chatted for a long time Nearly an hour! (A bit too long for my mind..)

Then off for a shower, into room a quick massage and then hand relief. asked for Oral but got told she would do it later.. (A bit pissed off as I was expecting CIM!) finished in a short time as I was a bit keen (regardless of looks!) then another chat which then proceeded to a toy show.. (don't want to sound rude but I was not very impressed due to size!) Then a little playing with my cock which involved the shortest OWO I have ever had!!! On with Condom and then sex..

All in all not impressed and felt that I wasted ?180!!

Sorry Mel no hard feelings just not my type..
