### The Premises:

Very private country house in a quiet lane. Easy to find.  
Extremely clean and tidy. Felt very safe.

### The Lady:

Shortish, slim.

A little too much make up. Very sexy eyes

Ad says 36b which I think is an exaggeration, small quite pert with  
Lovely suckable nipples!

### The Story:

Bridgit made me feel very welcome, drink chat kiss before we went upstairs.

In the bedroom a very horny lady, the leopards print dress a tiny white panties were soon off.

Loves to have her pussy played with, very wet and fleshy, tastes divine! She then tried to suck my  
brains put through my dick (sadly "With") I filled the teat while she still sucked. Then had a damn  
good shag.

Even ran a shower afterwards, a very nice touch.
