The Story:

Once in the bedroom sara started by giving me a long good massage paying attention to all those good places. After a while she turned me over to massage my frount by this time i was more than ready so she put the condom and gave me oral which was brill not for long thow as i realy wanted to shag her, so she got on her hands raised her bum in the air and i shaged her good and hard. Sara moned lowly throughout i am not sure if she came i certanily did and was pleased she did not scream like some. She is a lovely lady and is wellworth the money i will be back.
