The Story:

I arrived ten minutes early to find Abbie waiting ready dressed in the outfit i had requested. She greeted me and lead me to the lounge where Charlie was also waiting dressed in a school girl outfit, sat at an old style desk. Abbie hair up and dressed as a strict headmistress looked very convincing! Charlie with her cute freckles played out her character well. I was pleased to find both ladies enojoyed role play as much as me and were obviously extremely turned on. Rarely do you find that reality is as good as the fantasy but in this case my wildest dreams were beaten (in the literal sense too!) Both ladies were very clean, dressed to thrill and extremely good at what they do.
