The Lady:

This lady is an absolute stunner. Whilst waiting to see Patrice i saw the other three girls that were on and i definatly made the right choice from the four. if you,ve read all the previous reports on patrice then you will know i can not add to there descriptions, they say it all, and every word they say is true to the t. She is just out of this world, totally amazing.

The Story:

I turned up for my appointment at 2.40pm knowing fullwell that i probably would not get to see patrice untill after 3pm anyway. I was let in, offered a drink by one of the very nice freindly receptionist,s

was then brought my drink and was told,(very appologeticly)that patrice was running late and that it would probably be around 3.15 before i get to see her. I said that was not a problem so settled down, drink in hand and watched the film on telly. It got to about 3.20 another gentleman arrived to see patrice (her 3.30) he sat down and after a few minutes one of the receptionists asked him who he was there to see, he said patrice for 3.30. It was then explained to him that i was there for her 3pm and that she was running late. He took the huff and said he was not prepared to wait and that he had somewhere else to go and allso that he had travelled a very long way to get to sandys. This guy was abnoxious to the receptionist and if he, d have spoke to me like that i don, t think i would have been so controlled. Turns out that he was going to miss a game of golf (mat finish f/r no 22198) and that he had only travelled 20 miles (i travelled 30 miles) and i can only hope that the viagra he took did a little something for his golf swing. What would you prefer, not to be rushed and maybe run over 5 mins or have someone bangin on the door shoutin times up. I know which i, d prefer so just chill in future and allow yourself extra time, i finally saw patrice 1 hour, 5 mins after arriving but nobody saw me jumpin up and down being rude, get real and realize that appointments very rarely run on time in these places, especially when its as busy as sandys, next time show a bit of respect to the receptionist.

Now what can i say about what went on in the room, Mmmm i won, t go in to detail but patrice hits all the right buttons, and says all the right things and she will get to super star status, beleive me but in

my eyes and all the other guys that have done f/r,s one her she is wholeready up there at the top,and patrice do not even think about going back in to retirment because you are one in a million and women like you are a rarity.(p.s matfinish ,i hope you know what you missed by walking out and i hope your stiffy did,ent get in the way of your club.)
