### The Premises:

Her small appartement. Nice and discreet place.

### The Lady:

Pics are accurate, although she is a little fatter than the pics suggests, but certainly not overweighted. Her breasts are really superb, bigger than they appear one the website. They are completely natural, quite heavy with large nipples. Frankly, one of the nicest breasts of the industry.

### The Story:

I have visited Laura several times in the past, and before I leave London, I wanted to make a report about her. There have been several other ones when she was at scandalgirls, and most of them (the good ones) where accurate. You will certainly find Laura on other sites as well, and I have not used the 1st select agency yet. She is also escorting independently, because she complained she had not enough customers with the agencies.

This is really unfair, because if you're in the "full sex and tit sucking" kind of thing, she's your escort. She goes straight to the point and do her job with a lot of enthousiasm. She knows how to play with her breasts. She is extremely professionnal.

I would rate her as the best price-quality ratio in London, and I have visited many many escort.

She is a quite articulate escort and rather mature for her age, but I personnaly prefer Angelica or Chloe/Laura (reports to follow) as there are more sensitive and subtle ladies. You could bring Chloe or Angelica to a dinner, but not Laura. Go and see Angelica or Chloe if you want to chat before having sex, but go and see Laura if you want straight sex before chatting!!! Therefore my only advice before visiting her is to have a strategy before, if you do not want to come to early because she is really exiting. If you're able to come twice or more in one session, she'd be happy to satisfy you.
