### The Premises:

Nice flat in modern development near J5 M4. Discrete and safe. Clean and pleasant. Very safe

### The Lady:

Great looking girl in late 20'2 with strawberry blonde hair. Gorgeous bone structure, cheek bones. Pale skin. Small but lovely shaped tits with great responsive nipples

### The Story:

She's exciting all right and good to talk to but maybe we didnt click physically. Massage was very light and peremptory and felt her heart wasn't in it. I enjoyed reverse oral but thought she was too willing to lie back and let me get on with it, especially at this price which is high for Slough. No offer of drink and flat is shared with another girl. Out of the door in 45 mins after cum once. Didnt get the GFE feeling or apparent intimacy I expect at this price. I'm sure she's great at a longer outcall appt but this was ultimately disappointing
