The Premises:

Very clean comfortable house in North Enfield. Given good directions. Parking easy. The area was very safe and access discrete.

The Lady:

There is a photo gallery of Sabrina on the web site. I was not disappointed. She was wearing a little black dress, underneath were stockings suspenders and leopard print bra and thong - all very sexy. Sabrina had a lovely all over tan. Her boobs were ample with big dark nipples and surrounding area. Pussy was completely shaved, one of the smoothest I have experienced. One or two small tattoos and pierced naval. All in all very nice.

The Story:

This is the difficult bit as I have never written a negative report before and Sabrina was very nice. I was offered and had a welcoming drink with Sabrina in the lounge with a bit of general chit chat. After 5 mins or so went upstairs and was told to get undress having handed over ?150 which was meant to be for GFE. Told to lie on front for back massage with talc. Then told to turn over at which point I expected Sabrina to take off bra and thong and give me a massage of my front with some boob action and kisses. However Sabrina straightaway put on condom and asked if I wanted a blow job. This was nothing special. Thick condom and no eye contact. After a short while she said she would lie next to me. We had a cuddle but no kissing just touching lips. On the plus side I went down on her lovely pussy and used two fingers. However there was no real response. By now I was losing my stiffy. When Sabrina said what position I replied a hand job with oil would do. Even this was an effort. It is possible I caught Sabrina on an off day. However my real complaint is I was leaving the house 30 mins after arriving and I had paid for 1 hour. Perhaps I should be more cautious as there were no recommendations on Punternet for this lady. This is why I am writing this report. All in all a very disappointing experience and I will not return.

Service Provider's Rebuttal

The establishment writes, "Having read the previous reviews from this Punter, he should be visiting young ladies and not wasting time with my Mature Girls who did not find him either clean or polite! The client wanted services without plastic protection, and willing to put himself at risk!!.....This

my ladies will not do or even consider. May I request that he visits his own type of lady, not English, and stays away from our club, and not to change his name like the weather too.....we are not fooled!! Goodbye to him.....Judy."
