The Story:

Somewhat belated report. Saw Isabela on Judys site..i was in Alderley Edge for the evening. As far as i am aware the only lady she has in the Manchester area Arrived on time..dressed in black, heels and fishnet holdups. After a glass of wine the fun commenced. A nice massage from Isabella to begin with, complete with aromatherapy candles provided by her. kissing..oral...reverse oral followed by some energetic safe sex. All in all an hour well spent, thoroughly recommended if you are in the This area
