The Premises:

Pleasant facility, undergoing improvement work also. Easy to find, tight squeeze 4 the car but parking spaces available adjacent to the facility.

Felt safe! Apart from the chance of getting run down by the many punters arriving!

The Lady:

Attractive, long brown hair. Can't suggest a size but medium build in proportion, maybe 36c. Of Scottish descent.

The Story:

Lengthy massage, very nice, occasional feel of nipple down the back, regular feel of finger around the anus!

Relaxing and very enjoyable before any mention of "extras".

Opted for reverse oral and a little disappointed at the lubed up pussy. Still she seemed to enjoy the attention. On to me and very nice oral (with). Seemed that the condom was holding me back and she realised this and wanked me to a well received climax.

Not rushed, attractive girl, what more could you expect!
