The Premises:

Debbie's parlour has been well reported. Always comfortable and welcoming. Lee has re-arranged the bedroom recently and it is very, very nice in there. Well decorated with some tasteful ornaments.

The Lady:

Lee is a gorgeous-looking, busty blonde lady in her thirties, with beautiful blue eyes and a lovely smile.

The Story:

I had seen the lovely Lee several times at Debbie's in her role as receptionist. She only works as one of the girls on Sundays and, as this was one of the very few Sundays when I happened to be in London, it was a chance I didn't want to miss. Not only is she extremely attractive but she has a great personality and a lively sense of humour. Once in the bedroom, Lee put on a real performance. She smiled, she pouted, she kissed, she caressed, she rubbed her body against mine, she licked my chest, my nipples, my balls (believe me, her tongue is an experience not to be missed). ? In the shower she has a wonderfully sexy way of massaging your balls and your arse whilst rubbing her tits all over your back. In the bedroom she is all action. I can think of no sexier image than her giving oral, with all that beautiful blond hair cascading around her face as she stares you out with those gorgeous blue eyes of hers. She rode me like the clappers and we then spent some time in the missionary position before she finished me off by hand. I must be honest and say that her performance was much better than mine today, so I definitely owe her a return visit. Like all the girls it has been my privilege to meet at Debbie's, she is a star.
