### The Premises:

Pleasant residential are near Tooting Broadway tube. I felt safe.

### The Lady:

Goddess Ophelia is a truly beautiful, tall, slim, black Goddess with the most striking features and incredibly long, slightly muscular, legs that lead up to the most perfectly, shaped bottom. Although she, of course, demands respect, she is incredibly easy and pleasant to talk to and an hour in her presence passes as if it were 5 minutes.

### The Story:

When I see her she usually torments me by wearing a bodice and thong in order that I am constantly confronted by her smooth, round buttocks. On occasion she has allowed me to pull the strap of her thong to one side and press my nose tightly between those brown orbs. I then deeply inhale the intoxicating odour before deeply penetrating her anus with my tongue. On other occasions I have tasted the golden nectar from between her thighs, although I am never allowed contact with her private parts. She has yet to make me savour any other bodily excretions but it's probably only a matter of time.

In the several 3-hour sessions that I have had with her I have been tied down and vigorously fucked with strap-ons of ever increasing size. I have been caned and whipped mercilessly; had needles inserted in the shaft of my cock and balls; had a small vibrator pushed into my urethra and had candle wax dripped on the head of my cock, and she takes great delight in torturing my nipples; she loves to hear me cry out in pain.

I have experienced the torment of her Violet Wand and had my genitals assaulted by various electrical implements, as well as having them flagellated.

However, all these torments are as nothing compared to the cigarette branding where she burnt the letter ?O? on my right testicle. It was the most sensual experience that I have ever had; tied down with Goddess sitting astride me, her naked buttocks resting on my legs. She used a small cigarette and each time she pressed it against me the most incredible wave of pleasure went through me. She knows that I am addicted and that eventually I will allow her to permanently mark me in this way; I am helpless.
