### The Premises:

At end of cul-de-sac. Plenty of parking. Top floor of small block of flats with individual buzzers at main entrance door. Very discreet. Easy access by road from A.38, A 37, and via southern ring road from A.4. Roxanne gives very clear directions if you ask. Tastefully decorated, clean bedroom with good firm bed. Evocative picture on wall sets mood for an enchanting experience.

### The Lady:

Worked for a short while as Shanna. Roxanne, a much more appropriate name, conjures up the right image. Imagine Darryl Hannah playing one of the beautiful elves of Rivendell. She is 5' 6" with a catwalk type body, big blue green eyes and a wide generous mouth. Pert sensitive nipples, a flat belly and a sweet tasting and looking shaven pussy. Intelligent, gentle and lovable. Early thirties.

### The Story:

She met me at the door in the sleek black dress that she knows I love. This was my second visit to her inside 72 hours. We were both stripped and in action within seconds of my arrival. She was stroking my normally modestly proportioned willy whilst we were still catching up on the weekend's news, when, to our mutual astonishment, her expert ministrations produced an absolute boner, the like of which I have not managed in the company of a woman for years. Having only recently discovered, thanks to Roxanne, that I enjoy 69 much more with me on top, this was the next item on the agenda. Not only was her delicious clitoris easily accessible to my fluttering tongue, her vulva was clearly visible for me to explore with my eyes and probing fingers. Her mouth, tongue and fingers were just as active, giving me amazing sensations. An added bonus was the lovely feeling of my belly nestling against the base of her chest as I arched my back to dip my penis into her busy mouth. Her wealth of experience in pleasuring men really does show at times like this! We both got carried away, and her quivering orgasm, which we had planned to save for later, signalled that it was high time to commence fucking. My erection was still good, if not rock solid, making penetration quick and easy, with Roxanne in the missionary position. My thrusts were bringing me unprecedented pleasure, resulting from my snug fit inside her moist vagina. At least four minutes of belly slapping humping restored the former rigidity just before and during my ejaculation. It felt so tight and so good. I've never resorted to viagra, despite a pretty limp showing from time to time, but if this experience is anything to go by, Roxanne provides the answer. This was the ultimate GFE,

my 143rd and best punt to date since I started in June 1997. This delightful woman is an absolute diamond.
