The Story:

Had phoned to find out if OWOTC was on offer, when told all four ladies offered it I was round in a flash. Upon arrival was told Abbie was available if that was OK. Fine, just what I was after a pretty young babe to pay some attention to the old fella. In the room we had oral both ways and a quick shag before removing the condom and onto my favourite part, more owo before shooting my load in her mouth. Excellent value for money.
