### The Premises:

Ground Floor luxury apartment in centre of Birmingham. Easy parking, felt very safe. Inside, flat was spotless, with a nice airy bedroom.

### The Lady:

Absolutely stunning mature lady, probably late-thirties, early-forties, but looks much younger with a body to die for. Slim, long golden brown hair with a superbly enhanced firm bust.

### The Story:

Great telephone manner, and was met at the door with a lovely smile and kiss. Charlotte remembered me from the last time, even though it was nearly 12 months ago!! Charlotte immediately puts you at ease and is a great conversationalist, she ofered me a drink and we moved into the bedroom. Charlotte stripped down to a black lace basque, which showed off those superb (36c?) breasts. She began with a great back massage, ending with some nice stroking of my balls before turning me over and working her magic on the front. It was here that I let myself down, Charlotte's wonderful touch making me explode as soon as she began to stroke me down below. However, Charlotte never rushes you and you always get your full time, and we lay next to each other, kissing and caressing while I regained my composure for a second attewmpt. Once the old fella had recovered, Charlotte gave the most wonderful blowjob, followed by myself returning the favour - Charlotte really enjoys this and its a wonderful feeling having her thighs tightly gripped around your neck. We finished by her riding me on top, giving me the chance to pay some attention to those stunning breasts until, alas, time had come for us to part. All in all, one of the best experiences to be had in Brum, this lady beats them all hands down, treat her well and you'll never go anywhere else!! (it certainly won't be another 12 months before I see her again!!)
