The Premises:

Nice Detached house on modern residential estate outside of Whitchurch, easy to find & get to, indoors spotlessly clean & well looked after

The Lady:

As previous report Jan is as sexy as ever, mid 30's, blond, slim, firm & Oh those beautiful pert breasts with delightful nipples

Greeted today in short leopard skin skirt showing just the right amount of stocking top with matching top & very high heels which really, really set off her lovely long legs more than usual, topped off by matching black & pink/red undies, suspenders

The Story:

Birthday treat (mine) so thought would spoil myself with an afternoon of Jan delight

Met at the door as normal with hugs & kisses, coffee & freshen up shower before "retiring" to the bedroom

Again will not go into too much detail (MY birthday treat after all) needless to say Jan really went to great lengths to ensure that an even better time than normal & to indulge me with loads of kissing, hugging, mutual & constant caressing.

The touching, kissing & caressing was only interrupted long enough for Jan to give me a superb back massage & get this old body back to life

Thanks once again Jan you've made a happy man very old (or is it the other way round???????)
