The Premises:

Safe place as stated in previous reports. Culdesac in an estate. Block of flats with door entry. Roxanne usually opens the flat door as you get to the top of the stairs.

The Lady:

Tall to me, very petite with small breasts and thin legs. Her pictures on her web site do not do her justice as you can't see her face. She is beautiful and very loving and caring. She asks you about your wants and tries to fulfill what you need.

The Story:

As usual Roxanne put on the rubber dress I bring with me and we get into a large rubber bag I have. She is very good and 69 and kissing. Sex itself isn't my thing but her hand job is continuous and gripping!

Treat her good as she now has quite a following and anyone who treats her badly will upset a great many people!!
