The Story:

Another visit to this lovely lady. My third and each one gets better every time. I am not going into any great details except to say that I had another wonderful time. I am reluctant to keep praising this lady in case she gets too booked up but in fairness to her I must say what a pleasure it is to visit her. Thank you Roxanne for another wonderful session. You can rest assured that I will be cunnilingus back as often as I can. She now has a website but I've forgotten the details. It appears on one of her other field reports.
