The Premises:

a third floor flat in a pleasant location. Easy to find, but the walk up the stairs a bit tiring.

The Lady:

Laura is a 19-20 year old Lithuanian woman. She has a pretty face, but her tits are just starting to droop, which is a shame.

The Story:

After monies changed hands I was offered a drink and after a brief kiss, was led to the bedroom. She undressed and lay on the bed. She was quite passive and expected me to take the lead. A good OWO followed and some covered fucking led me to cum for the first time. A brief massage followed and then onto round 2. She had the unwelcome habit of 'lubbing' up before each sex session and this didn't help me to relax.

She tried hard but she couldn't make me cum for the second time. I left after 50 mins and was quite pleased to do so.

A reasonable punt and certainly not expensive. Not really my type, a bit too mechanical for my taste.
