The Story:

Now what to say here?

I had a spare few hours while my wife was getting her hair done, along with her nails and a massage herself, I decided to pay Cat a visit to kill some time.

Cat seemed a little rushed to start with and I hadn't even got there at that point! After a couple of phone calls, I was given directions and managed to find the place OK.

I was lead straight up to the bedroom where Cat insisted on undressing me but had trouble with my belt buckle much to my amusement. Anyway, having too much respect for Cat, I'm not going into details over what happened over the next hour, but it was an hour of sucking, fucking and intelligent, articulate conversation.

I left there feeling great!

Cat does do a BBBJ, not tot he same standard of my wife though, this I must say. Not insult to Cat, but my wife is the blow job queen! But condoms are essential for anything else, which one would expect anyway.

Thanks for a great time Cat, I will see you once more, (if you'll have me), but that will be it. This marks the second to last punt of my punting career. Having punted on and off for the last couple of years with 4 different ladies, I have discovered I can't beat what I have at home with my wife.

Good luck guys, I've punted with 4 ladies and that's my lot. I'm looking for something I already have at home. When I talked to Cat about this, she told me just how lucky I am and I have to say I

agree, Cat is perceptive and a wonderful lady to spend time with, go for it guys, she's worth it. But treat her with respect please, she deserves it.
