The Story:

This is a well deserved second report from me on Debbie, the first time I have reported on the same girl twice. Even though it was two months since I last saw Debbie I was very pleased and flattered that she recognised me. Opted for the assisted shower service. Began by undressing each other in front of the mirror tiles lots of fondling and kissing, a really good way to start. Moved to the shower, washed each other, more kissing then back to the bedroom. Debbie gave me a very good back massage, I then did oral on her which she seemed to enjoy. On with the condom and some oral on me followed by a bit of a kiss and cuddle and amazing sex. This really was a GFE. Stopped and had a donut and a drink, was made to feel very welcome and never rushed by both Debbie and Lee the maid (works Sundays, have to return).
