The Premises:

Apartment was clean and very well decorated, but then again, it was my place !

The Lady:

I was pleasantly surprised to say the least ! Amanda is tall, blonde, busty, very pretty and down to earth, just a nice easy going woman. After speaking to her a few times prior to meeting Amanda painted herself out to be, dare I say "fat", Amanda, you sure arent fat, maybe you have a bad mirror in your house but what I will say is that if you after an attractive, very busty, tall down to earth lass, she will be right up your street. Promise ! lol

The Story:

Well, after talking for probably too long I was chomping at the bit, mainly after geting some serious glimpses of cleavage and thigh whilst we sat and chatted.

Cut to the chase, I wont go into too much detail but what I will say is first, Amandas boobs have to be seen to be believed, trust me on this, Ive seen a fair few busty women in my time and been hugely disapointed when the bra comes off to see them sag out of all recognisable shape, well, When Amanda took off her bra they just sat there, high on her chest, all 36F/G of them, PERFECT !!!

What happened between us was passionate, enthusiastic, sweaty and to me felt very natural. French kissing throughout which I adore, OWO but no CIM, not that I minded as there was only once place I was going to be aiming for at the crescendo ! *wink*, A was on offer and I took the offer gladly.

All in all after several disappointments with previous punts which lead me to take a sabatical for over 18 months or so I thought one last punt for old times sake was in order, Im glad I did. Amanda was everything I had wanted previously from an escort but failed to find, I would have liked her to dress slightly more sophisticated but thats just my own taste. She is really nice woman, personable and chatty but most importantly, shes a damn good.....errrr.....*know what i mean !*
