The Lady:

Tall and slim, short blonde hair very good looking girl fantastic figure. Was a little off with me at the beginning, but I don't suppose she meant it. Maybe she was tired of all the cocks a spunk she has to put up with.

The Story:

Massage followed by HR. Zoe has an awesome body, but as funds were low I couldn't stretch to the sex or oral. As a result, Zoe was a little "off"....no other word really! HR was good, but when I tried to touch her, she moved away and there seemed to be an urgency about her, as I had to slow her hand down on several occasions as I thought I was about to combust. Came and she immediately got dressed. Something not quite right, but this may have been just me. As a caveat to this, however, why do they offer HR (i.e. a cheap service) if they don't like doing it because it doesn't make them as much money. Surely a hand job is safer in this age of STDs that have names longer than a giraffe's neck.
