The Story:

I had seen Riyana's website some time ago and thought that there would be very little chance of me meeting her. Then out of the blue a business opportunity in Leicester materialised and I took the chance. I contacted Riyana by email and she replied to every one of my mails, and I admit there were a few, being so inexperienced I wanted to make sure everything was going to be okay for her and for me.

This girl is so nice! I met her at the hotel entrance; she was on time and looked absolutely gorgeous, short black skirt and nice clinging white top, an ensemble that gave the merest hint of what was beneath. After dropping her bags in our room we went to the bar for a drink and a chat. I could have stayed there all night talking, looking at her! Eventually we went up to the room taking another drink with us.

We sat on the bed and talked some more, no pressure, absolutely right for me as a first timer. Eventually it was Riyana who suggested we make a move. Sensing my awkwardness she suggested a massage and that I undress whilst she used the bathroom. Watching her remove her clothes and expose her body was fantastic. She really does have a body to die for, perfect curves and edible breasts, the matching gold and black bra and thong against her coffee skin were fantastic.

A firm back massage followed, her hands helping to relieve my tenseness but in reality I was imagining and feeling her thighs as they straddled me. Being the shy type I still had my shorts on, Riyana asked me to turn over and remove my shorts. She then gave the most unbelievable BBBJ ever with fantastic ball massage. She brought me close to orgasm with her mouth and I had to call a

temporary halt. Then she lay on her back and removed her bra. Perfect breasts and perfect nipples that I enjoyed fondling and tasting, then to her mouth for some unbelievable kissing during which her hands were stroking my cock.

I think she sensed that I was too shy to make a move so she suggested she be in control. She removed her panties to reveal a perfectly trimmed bush (I do so prefer that to the shaven version). I would have liked to explore her there but she mounted me, cowgirl style and proceeded to fuck me! What an incredible feeling, she certainly knows how to move and was using one hand on my balls. Those feelings and the site of her, I couldn't hold back and came all to quickly. I don't think it was the best fuck she has ever had but it was certainly near the top for me.

She was willing to let me recover and have another go but I know my limitations. So, instead she taught me to smoke - my first cigarette ever! We talked some more then she got dressed and called a cab and refused my nicotine enhanced offer to walk her to the door.

Any regrets? A couple; I wish I had spent more time looking at her whilst she was undressed, she wanted to keep her shoes on (blimey how critical am I!) and I'd have loved to have tasted her, reverse oral, but that was out of bounds.

Riyana is still relatively new to the scene so retains some innocence (having said that she willingly took the lead), not that I am one to judge that and coupled with her wit and intelligence she was perfect for me as a 'new boy' and am sure will be able to please even the most seasoned punter.
