The Lady:

Tiffany is a petite strawberry blonde - I have seen her a number of times before and she is totally stunning - she has a great sense of humour and is so much fun. I love her to bits and she always makes me feel so welcome and treats me like a friend. I opted to see Tiffany with her friend Jenna - a gorgeous brunette - and just like Tiff she is very friendly and welcoming and also like Tiff, stunning!

The Story:

I can't remember ever spending such a wonderful hour in my life! As we sipped cold champagne, Tiff and Jenna slowly undressed me and we indulged in a 3 way kissing session that was so erotic. It's not my style to go into graphic details about the intimacy of our time together, but the hour went by in seconds. This was truly a GFE - no rushing whatsoever and I left with my body tingling from head to toe and the biggest grin on my face! I plan to return again and again!

Book these 2 fantastic girls together and you need never go anywhere else again. But treat them with the respect they deserve - they are truly memorable.....very very horny and very very nice! Thank you so much Tiffany and Jenna.
