Well- It wasn't the most discreet hotel or the biggest bed I've used, but we did Ok

The Lady:

The photo on her site of her kneeling on the sofa was what got me tempted & what you see is what you get. I'm a Bum & legs man!

The Story:

My visit to Aberdeen was abit short notice so the e-mail contact was a bit brief & confused, but Mel wasn't phased by that, nor did she resort to the "timewaster" reponse; she had my Mob No & waited until I could be reasonably expected to be clear of the office, then phoned to check details.

She arrived in long coat normal for Aberdeen, with little black number under it. Glass of wine, chat, then had to get me hands on the goods. Nice. Long licks both ways, finished doggy to view that bum & Hour glass shape. Couldn't resist making my rude suggestion, but it wasn't on. Never mind - a well above average lass for the Aberdeen scene, pleasant chatter & no rush to be off.
