The Premises:

As previous FR's. Quiet cul-de-sac with plenty of parking. Safe and flats have door entry system. Her is top flat on the left of stairs.

The Lady:

Web site pictures are OK but she is quite beautiful as well. If you like petite yet leggy then Roxanne is for you.

The Story:

I take along some rubber wear and she dresses up for me. We have some fun first getting the tight rubber on her but afterwards it is rubber heaven. She kisses wonderfully and sits on my face at the right time.

Roxanne is very versatile and will consider your requirements. She is very friendly but please don't take advantage. Treat her well especially if you are going to make a habit of her. I do and I know quite a few guys are beginning to.
