The Premises:

The flat was warm, and ok. There is no private parking as previously described and its not very safe for cars. She kept looking through window to see that my jag was ok.

The Lady:

Very skinny, but with long golden hair.

The Story:

Made appointment for 3.30pm and rang doorbell, woke her up and then she said she needed 15 mins to have a bath so come back. Went back at 3.45 and she said come up. Went into bedroom and then she said she had to go out to get some condoms, back in 5 minutes. 20 minutes later she appeared and then said she would get dressed up for me. By this time I was pissed off. Had a very boring massage, but a very tight fuck. All in all a very uninspiring shag.
