The Story:

After seeing her pic on the website, I was looking forward to this punt as she looks very sexy in the pic.

After coming through the entrance of this establishment I saw her walking round so booked her straight away & handed my fees to the receptionist.

Had a shower then waited for approx 5 mins be4 she came in the room where she gave me a long massage on my back.

Then it was onto the good stuff but have to admit it was disappointed, as she gave BJ covered even though I requested to her whether it was ok to do it without but she said 'no', was going try to finger her but that was a no-go as well, even tried to kiss her on lips but that was also a refusal, came once whilst fucking her on top, later tried to do it 2nd time but struggled as all those no-go areas was a big turn-off for me, it was also hard to have a chat to her as well as her english wasn't that good & it was occasionally a responded answer with a little yes or no.

Asked her whether she was from Cyprus as stated on the website but she said she wasn't & was from portugal, yet last week when i saw Cameron she said Claudia was from italy, so still not sure where she's from.

Altogether a disappointed punt yet on the website it stated she offered all these services so felt a bit ripped-off whereas I could have tried the other girls instead that did offered.

Will prob come back again but will try 1 of the other girls & Claudia is a definite no-go area for me again.
