### The Premises:

It appears that Sandy's has been well reported - so I wont go into detail except to say that it is a very pleasant and relaxing environment.

### The Lady:

Absolutely stunning. A perfect figure with wonderful soft skin and beautiful eyes. Perfect if, like me, you have a Mrs Robinson fantasy. The web site puts her at 35 and I wouldnt put her a day over that. The pictures on the site are accurate, but as always she looks so much better in the flesh - and dont worry, even though the faces have been smudged, she is certainly 10/10. Put it this way, if you met her in a bar, you would be straight up there trying to get to know her and offering to buy her dinner.

### The Story:

Well, Ive been reading the reports on Punternet for about 2 years now, but have only managed to pluck up the courage and the time to punt on a few occasions. This is my second time with Patrice and it was even better than I had expected. She does a wonderful job of relaxing you and kisses just like a g/f. Nothing was rushed and the owo was out of this world. The sex was intense and urgent and not routine as far as I can tell. To sum it up - this is one hell of classy lady who does her best to make you feel special and certainly succeeds.
