The Premises:

Small cosy flat on outskirts of town. 10 mins by cab from station. Also local buses from bus station to near to flat.

Very easy directions, very safe & secure

The Lady:

Web site pictures do Mel no justice. New light red hair really suits her, was wearing glasses when met & looked good. When in bedroom and them removed looked really stunning.

Was wearing white underwear under a white lace dress.

The Story:

Chatted for about 20 mins before undressing and assisted shower, light touch on the old feller while being soaped/

Retired to bedroom for a massage with a machine (10 mins), turned over for brief OWO. Watched while she used large vib, assisted with fingering. Moved to me using tounge and fingers on her, which seemed to draw enthusiastic respomses. Invited to lie back while she got on top, rode to virtual climax before, reversing roles to finish.

Shower to clean off and then relaxing chat over coffee.

Next time, to sample the CIM
